

This Week's Top 5

HEALTHTECH STORIES

Oct 11–17, 2025

A photograph of a hospital building with a large, red, three-dimensional sign that reads "EMERGENCY". The sign is mounted on the side of the building, and the word "EMERGENCY" is partially visible. The building has a modern design with large windows and a light-colored facade. A dark grey semi-transparent banner is overlaid on the image, containing the title and a category label.

1

Transforming EMS-Hospital Interoperability

HEALTHTECH

Discover how full-circle interoperability between EMS and hospitals is reshaping patient care and operational efficiency in healthcare. This model offers new insights into seamless patient handoff.

AI Training Tackles Dentistry Skills Crisis

HEALTHTECH

AI-based simulation training emerges as a vital solution to address procedural skills gaps in dentistry, potentially transforming training and improving patient outcomes.

AI Solution for Hospital Violence

The Teladoc Health logo is positioned to the right of the main title. It features the word 'Teladoc' in a dark blue, sans-serif font, with a registered trademark symbol (®) to its upper right. Below 'Teladoc', the word 'HEALTH' is written in a lighter blue, all-caps, sans-serif font. To the left of the text, there are several overlapping circles in shades of purple, teal, and green.

HEALTHTECH

Teladoc Health introduces an AI tool to combat crisis-level workplace violence in hospitals, focusing on enhancing safety for healthcare professionals.

Mayo Clinic's New AI Startups

HEALTHTECH
